## PARTY OF LANCASTER COUNTY, PA

**WHAT ARE LIBERTARIANS?** Libertarians believe that you, as an individual, should be free to live your life your own way without interference, provided you respect that same right in others. This simple, common sense philosophy is our guiding star across the board in all areas of personal and public policy.

**More concisely, LIVE AND LET LIVE.**

---

**WHAT DO WE DO?** The Libertarian Party of Lancaster County exists in order to:

- Spread the philosophy of self-determination, self-ownership, and freedom
- Support Libertarian candidates for public office
- Influence public policy in a libertarian direction
